

## **Annex**

### **Request**

*We would like to request under the Freedom of Information Act, details of how many Regulation 28 (report to prevent future deaths) have been issued by Coroners to the FSA relating to deaths that have involved DNP (2,4-Dinitrophenol), and dates when these were issued.” As sent by [REDACTED] [REDACTED] at 2021 hrs on 28<sup>th</sup> August 2019*

### **Response**

On 31<sup>st</sup> October 2016, the coroner for the Black Country issued a s28 report to prevent future deaths to the FSA. This related to the death of Ms Imama SHAHID who had passed away on the 18<sup>th</sup> June 2016.

A copy of that s28 report is attached to the email accompanying this letter.

On 30<sup>th</sup> November 2016, the FSA responded to the coroner in respect of that s28 report. That response is also attached to the email.

Neither document is posted on the website of The Office of the Chief Coroner.
